ORDER

05-CV-566 (CBA) (LB)

The Court has received the Report and Recommendation ("R&R") of the Honorable Lois Bloom, United States Magistrate Judge, dated June 28, 2007, recommending that the defendants' motion for summary judgment be granted. On July 9, 2007, *pro se* plaintiff Christine Clark sent a letter to the Court, apparently in response to Judge Bloom's R&R. However, the plaintiff does not indicate in her letter the grounds upon which she objects to the R&R. Instead, she raises a number of issues that she has previously raised in front of Judge Bloom, including, *inter alia*, her assertion that her deposition testimony was altered and her request that the Court review her exhibits and arguments. In addition, the plaintiff provides the Court with a copy of her previous filings in this case. The Court has reviewed Judge Bloom's R&R as well as the papers submitted by the plaintiff. The Court finds the plaintiff's arguments to be without merit and accordingly adopts the R&R as the opinion of the Court. The Clerk of the Court is directed to enter judgment in accordance with this Order.

SO ORDERED.
